**FACT SHEET - G-05**

**PROVISIONAL TRAINING PROGRAMME FOR WELDING-RELATED PERSONNEL**

The Welding Technology Institute of Australia (WTIA), through its OzWeld School of Welding Technology and selected International Institute of Welding (IIW) Approved Training Bodies (ATBs) offers training of welding-related personnel throughout Australia and New Zealand.

Information on access conditions, entrance requirements, course locations, duration, costs and career paths can be obtained from WTIA or an IIW ATB. WTIA, as the Australian IIW Authorised National Body (ANB) can be contacted for an up-to-date list of IIW ATBs. To obtain qualification and certification the candidate will undertake examinations through the WTIA Qualification and Certification Board and IIW Authorised National Body (ANB).

For further information on examinations contact WTIA Examinations Officer at the ANB, Anabel Cantero Tel: 02 9748 4443 or email a.cantero@wtia.com.au

Please **tick below** and complete the **response form** overleaf or email Pauline Marvaso, WTIA Education & Training Administrator on events@wtia.com.au to receive further information on selected WTIA OzWeld School of Welding Technology training courses. In-house training courses are also available on request.
