

NSW Manufacturing Week

Ideas for a changing world 3 – 9 May 2010

SUSTAINABLE MANUFACTURING

Thursday 6 May 2010

2.00pm – 5.30pm

Concluding with networking and refreshments

The forum focus is Innovation for Sustainability and Competitiveness in Manufacturing, with the keynote address containing:

- A brief overview of NSW Manufacturing Council paper
- How Cowan Manufacturing maintains a competitive edge, giving some valuable 'hands on' tips for the manufacturing trade
- The value of networking in business

Local manufacturing businesses will provide an insight into innovation in their business, with a Q & A session.

Presented by

- **Bob Cowan – CEO of Cowan Manufacturing, high profile manufacturer and exporter, and member of the NSW Manufacturing Council.**

Cowan Manufacturing is a welding specialist with strong core competencies in stainless steel, aluminium fabrication & sheet-metal work. Major specialists in design, manufacture & installation of Recompression Chambers, Decompression Chambers & other life support systems worldwide.

- **Local company case studies: W.E.Smith Engineering, Greenspan Technology, Wetseal and Express Coach Builders.**
