

Ben Chifley Scholarship Guidelines

"We have a great objective - the light on the hill which we aim to reach by working for the betterment of mankind not only here but anywhere we may give a helping hand."

Ben Chifley

NEW SOUTH WALES
DEPARTMENT
OF EDUCATION
AND TRAINING

State Training Services

1 Introduction

These Guidelines provide a framework for the nomination, assessment and funding of nominees for the Ben Chifley Scholarship.

- the apprenticeship is cancelled; or
- the Scholarship holder fails to meet their obligations under the Apprenticeship and Traineeship Act 2001; or
- the Scholarship holder fails to meet their obligations under the terms of their Training Contract.

2 Aim and Objectives

2.1 Aim

The aim of the Ben Chifley Scholarship is to assist apprentices from country NSW who have demonstrated hardship in their personal circumstances and aptitude for vocational education and training to achieve their potential by successfully completing their trade training.

2.2 Objectives

The objectives of this program are to:

- promote quality outcomes in the NSW vocational education and training system in country NSW, and
- increase the awareness of employers and the community of the benefits of participating in apprenticeships.

Apprentices who leave their apprenticeship will lose the Scholarship but will not be required to refund previous payments.

If a Scholarship-holder loses their apprenticeship as a result of the employer experiencing financial difficulties or the business closing, the apprentice will be given all possible assistance to find a new employer. If necessary the scholarship will be suspended and may be resumed if an apprenticeship is resumed within a reasonable period of time.

If a Scholarship is suspended or cancelled the Board may recommend to the Premier a replacement to hold the Scholarship for the balance of the term.

Applicants must be in an approved apprenticeship at the time of being awarded the Scholarship.

There will be a maximum of 30 Scholarships in place in any one year distributed evenly between 1st, 2nd and 3rd year apprentices. At least two Scholarships per year will be awarded to people of Aboriginal or Torres Strait Islander background

Scholarships will initially be awarded commencing in 2009 when 30 scholarships will be awarded and thereafter generally 10 each year to 1st year apprentices.

3 The Scholarships

Scholarships will be provided to successful nominees for the duration of their apprenticeship up to a maximum of 3 years. Scholarships will only be paid whilst the holder is participating in an approved apprenticeship. Scholarships will be valued at \$5,000 per annum subject to an annual review to ensure the Scholarship holder is making good progress in their training.

Scholarships may be suspended or cancelled by the Premier on the advice of the Board of Vocational Education and Training if in the opinion of the Board:

4 Eligibility Requirements

Nominees for the Ben Chifley Scholarship must:

- be in the 1st year of an approved apprenticeship at the time of nominating for the Scholarship; and
- be resident in country NSW for the term of their apprenticeship as defined in Section 13 of these Guidelines; and
- have their apprenticeship registered in NSW under the provisions of the Apprenticeship and Traineeship Act 2001; and
- the apprenticeship must be in a trade in a skill shortage category in NSW and/or the nominee's local area.

5 Available Funding

Funding for the Scholarships will be provided by the Board of Vocational Education and Training through the Department of Education and Training. A sum of \$5,000 per annum up to a maximum of \$15,000 over three years will be paid to each Scholarship holder.

Continuing funding is subject to the Scholarship holder maintaining their eligibility for the Scholarship during the life of the Scholarship as outlined in Section 4. Continuing funding is subject to the Scholarship holder maintaining satisfactory progress in their trade training and meeting the conditions as outlined in Section 3.

Consistent with the aim of the Scholarship, recipients are encouraged to use funds to assist them in successfully completing their apprenticeship.

6 Application Process

A nomination for the Scholarship must be submitted on the Ben Chifley Scholarship Nomination Form, which may be obtained by contacting the local DET State Training Services office (see Section 12 for contact details).

The form is also accessible on the State Training Services website
<http://www.training.nsw.gov.au>

The nomination form must be endorsed by the nominee, employer and training organisation. The nomination can be any length but should include all relevant factual details relating to the nominee as specified by the nomination form. The onus is on the nominators and nominee to provide sufficient detail to enable the Board to form an accurate opinion of the nominee's suitability for the Scholarship.

All details provided on the nomination form and in support of the nomination must be accurate. Inclusion of incorrect information will result in the automatic rejection of the nomination without further consideration.

Nominations will be called for from time to time by advertisement in the local press and on the State Training Services website
<http://www.training.nsw.gov.au>

Nominations must be submitted to the Manager of a State Training Services office outlined in Section 12 by the specified closing date. Ordinarily, nominations will be called for early each calendar year and there will only be one call for nominations each year.

7 Assessment Criteria and Approval Process

The onus is on the nominators and nominee to provide sufficient detail to enable the Board to form an accurate opinion of the nominee's suitability for the Scholarship in terms of the selection criteria. There is no restriction on the amount or nature of evidence presented to support a nomination which may be appended to the nomination form.

Scholarships will be awarded on the basis of:

- hardship,
- aptitude for vocational education and training, and
- the nominee's trade in terms of identified skill shortages in NSW and/or the nominee's local area.

By way of guidance only and without restricting the generality of the assessment criteria:

- 'hardship' could take into account issues such as financial circumstances, family situation (eg carer status) and/or generational unemployment. Equity criteria could also be used to demonstrate hardship eg Aboriginal and Torres Strait Islander background, people with a disability, mature-aged people;
- 'aptitude' for vocational education and training could be demonstrated by past performance in the apprenticeship, participation in trade skills competitions, references from employers attesting to the nominee's skills, results of school or other assessments in trades subjects,

examples of the nominee's work, level of experience;

- Skills shortage areas are those trade occupations identified in the National Skills Needs List available at http://www.australianapprenticeships.gov.au/whatsnew/NSNL_announced.asp

The List is periodically revised by the Commonwealth and is used to determine eligibility for special Commonwealth apprenticeship funding. Specific local skills shortages may also be taken into account, even where these do not appear on the National Skills Needs List.

Once nominations have been received, there will be a culling process. Those nominations that do not meet the eligibility criteria outlined in Section 4 will be rejected. Remaining nominations will then be assessed in relation to the accuracy of claims made in the nomination. This may involve contact with the employer, RTO or nominee. Nominations containing inaccurate information will be rejected at this stage.

Each remaining nomination will then be assessed against the assessment criteria outlined in this Section and the Board will make a recommendation to the Premier as to who the successful Scholarship winners should be.

An announcement will be made annually of the names of the Scholarship winners. Winners will be notified directly by the Department of Education and Training. It is a condition of accepting a nomination that the recommendations of the Board to the Premier will be at the Board's sole discretion and the decision of the Premier will be final.

8 Role And Responsibilities

8.1 Nominee, Employer and Training Organisation

The Nominee, Employer and Training Organisation are responsible for preparing and lodging the nomination with the appropriate office within the publicised timeframe.

They are responsible for the accuracy of the nomination. They are responsible for ensuring that the nominator meets the eligibility criteria and the nomination addresses the assessment criteria.

They are responsible to ensure that the nomination includes sufficient detail and supporting documentation to enable the Board to form an accurate opinion of the nominee's suitability for the Scholarship in terms of the selection criteria.

8.2 Department of Education and Training

State Training Services will regularly make publicly available information material relating to the Scholarship. Information will be available through local press outlets, training organisations, Australian Apprenticeship Centres and other relevant vocational education and training participants.

State Training Services will provide assistance and advice to potential nominees, their employers and training organisations in preparing and submitting nominations.

State Training Services will assess each nomination in terms of these Guidelines and provide advice to the Board and any assistance the Board may request to enable a proper consideration by the Board of all nominations.

State Training Services will monitor the progress of each Ben Chifley Scholarship holder to ensure that each Scholarship holder has all available assistance to enable them to complete their apprenticeship. State Training Services will provide an annual report to the Board on its monitoring activity and the progress of each Scholarship holder.

8.3 Board of Vocational Education and Training

The Board will assess each of the applications and consider advice from the Department before making a judgement and providing advice to the Premier on the basis of the published assessment criteria as to those nominees who should be awarded a Ben Chifley Scholarship.

8.4 Premier of NSW

The Premier will be the final arbiter in awarding a Ben Chifley Scholarship after considering the advice of the Board of Vocational Education and Training.

9 Presentations and Payments

Presentations will be arranged in local areas to announce the winners of the Ben Chifley Scholarships and make payments. Scholarship winners will be invited to participate but will have the option of not participating in these presentations.

Apart from any payment made during the course of a presentation, payments will normally be made to Scholarship holders by electronic funds transfer to a nominated account annually. Scholarship holders are encouraged to use the funds to assist in completing their training.

10 Promoting the Ben Chifley Scholarship

The Department will fund, prepare and distribute to potential and existing apprentices and other vocational education and training participants a range of promotional materials to promote the Scholarship and trade training generally.

11 Support, Advice and Assistance

Through its statewide network of State Training Services regional offices the Department will provide support and advice in the preparation of nominations and monitoring to Scholarship holders in order to ensure they have the best possible opportunity to complete their trade training. Contact details for these Centres are provided in Section 12.
