The Journey to Sustainability: Changing Culture in Your Organisation

> Presenter

Matthew Parnell of Greensynergy Consulting, Coffs Harbour.

> Program Details

The journey to sustainability has many facets, and demands change in the way we do things. For organizations, this may require new structures, policies and procedures. But mostly, a change of culture is fundamental. This seminar reviews leading edge thinking on sustainability culture in organizational change, and can help participants to commence the change process for their organizations.

> Venue + Times

Boardroom, Coffs Harbour Innovation Centre, Coffs Harbour Education Campus, Doug Knight Drive, off Hogbin Drive, Coffs Harbour, from 9 am to 11 am Tuesday 24th May, 2011.
