# IDEAS Factory

(Innovation Drives Entrepreneurs And Students)

**Innovative Ideas Competition 2011 for  
Young People on the NSW North Coast**

## **Innovative Ideas Categories:**

**Innovation at Home, School, Work, Play** - What device can you come up with that could hit the market to make our lives easier? Or What will the appliances at home and work look like in 2020?

**Innovation Green Technology** - What green innovative idea would you want to see us all using by 2020?

**Crazy Idea** – You've got an idea that seems a bit crazy. Tell us about it.

## **How to enter**

Go to the IDEAS Factory website at [www.innovativeideascompetition.com.au](http://www.innovativeideascompetition.com.au) and either enter your original innovative idea or vote for your favourite ideas.

Send the competition site to your friends, colleagues and classmates to vote for their favourite idea.

The winning idea will have the largest number of votes. The competition closes on 30 May with the winner announced at the North Coast Innovation Festival closing event in Taree on 31 May.

## **Competition Rules**

There aren't many – it's a fun competition. To enter an idea you must be a high school, TAFE or University Student or a young person living on the NSW North Coast between Taree and The Tweed. Go to the website for full competition rules and details.
