

Who are we?

Hi Speed Internet Kiosks have over 100 sites around Australia.

Wagtail Internet Kiosks are a locally operated and owned business representing the Coffs Harbour franchise of this successful business. We have 4 high profile locations with excellent exposure.

Our kiosks are designed to provide a computer/internet service to the public.

We also offer the opportunity for businesses to increase their BRAND awareness through unique advertisements to maximise their exposure to the wider public. As our kiosks are centrally located in high volume pedestrian traffic locations, it is an excellent opportunity for business to gain optimum exposure to potential customers as they pass by our screens.

What do we do?

Wagtail Internet Kiosks offers **local business** the opportunity to purchase advertising space on up to 39 screens in 4 prime locations on the Coffs Coast; Park Beach Plaza, (The largest shopping centre between New Castle and Tweed Heads), The Palms Centre, Centro Toormina and The Pier Hotel. **Get your business brand into the major shopping centres in Coffs Harbour.** They can also provide a further opportunity to expand your business exposure on more than 100 sites across Australia.

We work with your business to create an individual advertisement showcasing your business, using your logos and increasing exposure to your brand. This advertisement scrolls across the screens, when the screens are idle, providing excellent exposure for your business. We also have available our exclusive HOT-KEY; Passers-by or customers on the kiosks can click into an additional information screen on your business which allows the potential customers to make direct contact with your business
