ABC Pool is a really good way to store and share creative projects, all based around our theme, the river. We will be interviewing various people around town. These will be filmed and edited by some students from Bellinggen Highschool. Please pass this link to friends and to also make contributions yourselves. <http://pool.abc.net.au/projects/bellinggen-river-festival>.

If you have photos or stories of the river you would like to share, please get in touch by emailing info@bellinggenriverfestival.org
