

ABC Open Summer School

At the Bellingen Shire Libraries

13, 20 and 27 February 2012

Photo credit: Andrew Braithwaite

Photography with ABC Open & Bellingen Shire Council

Would you like to learn how to take better photos?

In these sessions we'll look at lighting and composition. We'll also learn how to put the photos on a computer to edit, store and share them.

Please bring your camera or phone to use in the session but there will be equipment to share if you don't have one.

February 13: Dorrigo Library
February 20: Bellingen Library
February 27: Urunga Library

All sessions are free and run from 9-12. Morning tea will be provided. Bookings are essential.
