Social media with ABC Open & Bellingen Shire Council

Are you finding it hard to keep up with all the new technology that's out there?

At this introductory workshop ABC Open Summer School will talk you through social media, focusing on the services of Facebook and Twitter, with examples from the ABC.

Discover how to use social media technology to connect to your local community and beyond, and tell your story through the ABC.

February 9 5.30pm-7.30pm
Bellingen Shire Library, Bellingen
